- One task-team meeting held on 25 September 2017 - initial timeline, workplan and a call for a co-convener.
- Initial reference library established.
- Subsequent calls for a co-convener did not produce results

Due to low level of interest the work of the task-team was not pursued.

- Revise work plan to focus on commissioning a literature review in 2018-19.
- Use the review findings to build broader engagement within UNEG, present to 2019 EPE/AGM and inform 2019 work plans.
