

# **UNEG 2018 Annual General Meeting**

## **Professionalization of Evaluation**

Thursday, 10 May 2018

Jacqueline Flentge (WFP) and Susanne Mattsson (UNFPA), Co-Conveners

# Objectives of AGM session

1. Provide an overview of key activities and results in 2017-2018
2. Seek endorsement of the envisaged strategic direction for the coming year

# Professionalization Working Group

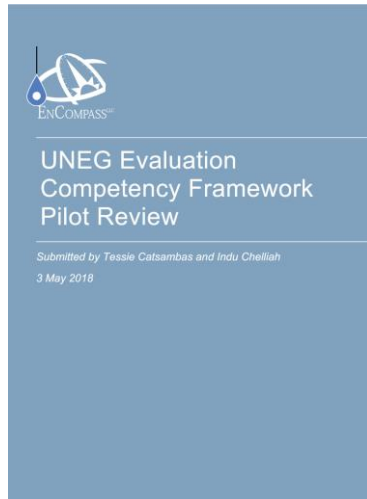

WG members:

- ILO
- FAO
- UNICEF
- UNITAR
- UNIDO
- OPCW
- UNFPA
- WFP
- UN Women

# Key activities

- **Pilot Review** of the ECF
- Supported UNSSC in delivering their **M&E Training** and strategizing towards future

# Key activities

- A **Roundtable Meeting** with key members of the global evaluation community to exchange experiences and lessons learnt in implementing different professionalization initiatives

# Main Take Aways

- ECF - useful framework; further advocacy and avenues for implementation needed
- Professionalization is a collective process!

# Proposed way forward

1. To continue its work, as a working group, at least until the next UNEG strategy period, subject to available financial resources and the availability of two co-conveners.
2. To develop a (biennial) work plan for the period of 2018 up to 2020, taking into account a number of strategic opportunities.
3. To focus on both strengthening external partnerships as well as fostering close cooperation within UNEG.
4. To further promote the increased use of the ECF within UNEG member agencies and beyond.

# Thank you!
